

FOX Service Partner Program Guarantees

WE VALUE YOUR TIME

Customer Service will schedule an appointment that is convenient for you and our dispatch will keep you apprised of the technician's arrival time. You will also receive a phone call and email when the technician is en route to your home. For an emergency outside of our posted hours, contact us through our answering service or website's chat.

WE VALUE YOUR HOME

Our technicians use floor-protecting shoe covers and drop cloths to protect your home. They will leave your home's interior in the same condition it was before they arrived. If it's not to your satisfaction, then we will clean your home.

TELL-A-FRIEND

We want to ensure you are not only a satisfied customer but also feel confident to recommend us. If for any reason you are dissatisfied with our service or people, and would not consider telling a friend about us, we will do whatever it takes to make it right and correct the problem.

ONE YEAR "TEST DRIVE"

If you are unhappy with our installation of a home comfort system (e.g. furnace, air conditioner, etc.) and we cannot fix the issue(s), we will remove the system and refund 100% of your original investment at any time during the first year.

5-STAR SERVICE

Our technicians are the best in skill, attitude and workmanship and are provided on-going, extensive training. They will care for your home and complete the job in a timely manner with precision. If they have not performed to these high standards, we will do everything in our power to correct the situation.
